

Due to a clerical error in preparing the 2008 Graduate Catalog, the transfer credit for the Masters of Arts in Biblical Studies on page 29 was incorrectly stated. The correct Transfer Credit policy for the Masters of Arts in Biblical Studies has been in effect since Fall 2003 and is stated as follows:

Transfer Credits

A student who has earned graduate credit in Biblical Studies from a regionally accredited institution may transfer a maximum of nine (9) semester hours into the M. A. in Biblical Studies program. Transfer hours must be approved by the Dean of Biblical Studies.
