

Hello,

The ALS Association is seeking an energetic, mission-driven Development Manager to oversee our Walk to Defeat ALS® events and other fundraising initiatives in the state of Alabama. This is a fantastic opportunity to make a real impact by cultivating relationships and driving revenue for our programs and services. Candidates must reside in Alabama and be willing to travel throughout the state.

Key responsibilities include managing Walk events, developing fundraising strategies, working with corporate partners, and supporting statewide events. The ideal candidate will have 2-5 years of fundraising experience, strong communication skills, and a passion for the mission.
