DETERMINATION:

Does the Faulkner University MEd in School Counseling program, meet the educational requirements for initial licensure as a school counselor in Ohio?

Undetermined

ADDITIONAL REQUIREMENTS FOR LICENSURE:

To obtain the Ohio School Counselor license, here is what must be provided: (1) An official transcript showing completion of an accredited School Counselor licensure program; (2) A standard School Counselor license issued by the AL Dept of Education OR (3) A Letter of Eligibility from the university. The letter on university letterhead, signed by the dean or head of teacher education, must state the license type they are eligible for in that state. (4) Official licensure assessment results for School Counselor. If #2 or #3 can be provided then Faulkner University's M.Ed. School Counseling Program DOES meet the State of Ohio's eligibility requirements for initial school counselor licensure. To obtain the Ohio School Counselor license, here is what must be provided: (1) An official transcript showing completion of an accredited School Counselor licensure program; (2) A standard School Counselor license issued by the AL Dept of Education OR (3) A Letter of Eligibility from the university.
