Telephone Number: 717-728-3224

DETERMINATION:

Does the Faulkner University MEd in School Counseling program, meet the educational requirements for initial licensure as a school counselor in Pennsylvania?

Undetermined

ADDITIONAL REQUIREMENTS FOR LICENSURE:

The state of Pennsylvania is UNABLE TO VERIFY whether Faulkner University's M.Ed. School Counseling Program meets its educational requirements for initial school counselor certification/licensure. PA does not preapprove other states' programs but rather determines whether the program completed meets requirements at the time of certification application review. The state of Pennsylvania is UNABLE TO VERIFY whether Faulkner University's M.Ed. School Counseling Program meets its educational requirements for initial school counselor certification/licensure. PA does not preapprove other states' programs but rather determines whether the program completed meets requirements at the time of certification application review.

STATE VERIFICATION:

Has Pennsylvania verified the above determination made by Faulkner University?

Yes, in June 2024

DISCLAIMER:

The institution has used its best judgment to make the determination whether or not this program meets the requirements for obtainment of licensure. Furthermore, this determination is made annually and this page was most recently updated June 1, 2024. It is recommended the student check with the contact information provided above to ensure obtainment of licensure can be achieved.
