

**Summer Internships**  
**May-July, 2025**  
Hemley Road Church of Christ  
Bayou La Batre, Alabama

**Positions:** Summer Youth Ministry Interns

**Job Description and Requirements:** Working with the youth of the Hemley Road church while supporting other ministries of the church. The summer interns for the Hemley Road church must be self-starters and have the ability to work together as a team. To a great degree the church will be depending on the interns to provide the complete program for the summer and to be mentors to the church and community youth. These intern positions are a great opportunity to use one's talents to share the Gospel of Christ with the church and the youth.

**Congregational Information:** The Hemley Road church has approximately 40 members including teens. The congregation has no elders but is working with leaders from other congregations to provide summer interns. The congregation began as a mission effort following hurricane Katrina and has consistently worked to serve low income and at-risk families of the area. The congregation provides clothing and food to several hundred residents each month and hosts 10-15 youth and adult work groups each year. These groups represent approximately 400 workers.

**Guidance and Compensation:** The church will provide lodging (on campus apartment) and meals as well as a working fund, use of church van and \$4,000 as salary per intern.
